

SAVE YOUR HAIR AND BEAUTIFY IT WITH "DANDERINE"

Spend 25 cents! Dandruff disappears and hair stops coming out.

Try this! Hair gets beautiful, wavy and thick in few moments.

If you care for heavy hair, that glimmers with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair; besides, it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scalp robs the hair of its luster, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed, and ten minutes after you will say this was the best investment you ever made. We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair—and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?—Advt.

HE JUST FELT STORE WAS BEING ROBBED; GOT UP, FOUND IT TRUE

Uptown Shoe Dealer Lost \$3,100, but Thieves Left \$250 Diamond Ring.

Andrew Geller has a chain of shoe stores uptown. They make money. Usually Mr. Geller sleeps like Abou ben Adhem.

It was very early this morning when Mr. Geller turned over uneasily in bed, at No. 74 Lenox Avenue, and announced that he couldn't sleep at all.

"In fact," says he, "I have a feeling there's something wrong up at No. 124. I'll just go and see."

To-day Mr. Geller inclines to the opinion that there's something psychic in his make-up.

He walked up Lenox Avenue, entered his store at No. 124, and turned on the lights. The first thing he missed was his safe. Then he saw a dark sort of screen at the rear of the store, which turned out to be a wall of shoe boxes and things. Behind

the shoe boxes was the safe, on its back, wide open, and minus \$3,100 in money and a quantity of jewelry. On the edge of the safe lay a \$250 diamond ring. Mr. Geller does not think it was left as a souvenir. He believes its being there is purely fortuitous.

back, wide open, and minus \$3,100 in money and a quantity of jewelry.

On the edge of the safe lay a \$250 diamond ring. Mr. Geller does not think it was left as a souvenir. He believes its being there is purely fortuitous.

Policeman Finnegan of the West One Hundred and Twenty-third Street Station answered the alarm, and saw to it that the finger print

experts got the tools and gloves left behind by the thieves.

The robbery was similar to a number of others carried out in the section within the last six months, the total loot of which, the police say, will foot up \$30,000. In each instance the bandits left their tools behind them.

Mr. Geller would now like to train his psychic sense to become operative just a little earlier in the game.

Speakers included President McAnany of the Board of Aldermen, Theodore M. Levy, Rabbi Wolf Margolis and the Rev. Dr. H. P. Mendes.
